FOOOTY

FOOOTY is a new lifestyle toy that makes it possible to play anywhere, anytime you want. Born out of frustration to be able to play when travelling! It fits in every pocket and can be used indoors and outdoors.

The FOOOTY is a unique patented 2D construction element that enables you to create 3D shapes. When connecting the FOOOTY elements, using the patented FOOOTY connection system, you can CREATE all popular ball shapes and much more. Finished playing... you can put the FOOOTY right back in your pocket.
